AIR & ELECTRONIC SUSPENSIONS

SEMPRE IN EVOLUZIONE

CONSTANTLY EVOLVING

L'evoluzione tecnologica e la sperimentazione nel settore Automotive è in costante crescita, di conseguenza anche l'Aftermarket inizia a subire un suo mutamento, dove un buon numero di prodotti e componenti hanno iniziato la propria trasformazione.

A far parte di questo gruppo di componenti è la cosiddetta "Sospensione Intelligente" ovvero il Sistema di Sospensioni Attive a Controllo Elettronico (ECASS).

Allo scoccare del proprio 47° compleanno, Osrav è ben felice di tracciare un nuovo segmento verso il proprio futuro, figlio delle competenze acquisite in oltre 47 anni d'esperienza.

Osrav ha sviluppato un Know-How costruttivo che si estende dalla progettazione di ammortizzatori e valvole elettro-meccaniche a controllo elettronico passando per lo studio della gomma delle "molle ad aria" fino ad arrivare all'analisi dell'olio polarizzabile.

Vital Suspensions: il vero specialista della Sospensione.

The technological evolution into the Automotive sector is steadily growing, therefore the Aftermarket is undergoing to a change, where a large number of products and components have started their transformation. Part of this group of components are the so-called "Intelligent Suspension" or Electronic Control Suspension System (ECASS).

Celebrating its 47th Anniversary, Osrav is proud to draw a new segment towards its future, thanks to the skills acquired over decades of experience.

Osrav has developed a constructive know-how that begins from the design of the shock absorber and electro-mechanical valves with electronic control passing through the study of the rubber for the "air springs" up to the analysis of the polarizable oil.

Vital Suspensions: the genuine Suspensions specialist.

SOSPENSIONI E AMMORTIZZATORI NUOVI

● AMMORTIZZATORI CON MOLLA AD ARIA E REGOLAZIONE ELETTRONICA

Ammortizzatori con regolazione elettronica dello smorzamento con la possibilità di avere la molla ad aria già installata sull'ammortizzatore.

● SISTEMI DI TENUTA INNOVATIVI

Le tenute meccaniche utilizzate sono di alta qualità e progettate per garantire la massima tenuta e resistenza nel tempo.

● AMMORTIZZATORI CON MOLLA AD ARIA

Ammortizzatori senza regolazione elettronica, in base alle applicazioni desiderate, con la possibilità di avere la molla ad aria già montata e pronti per essere installati sulla vettura.

New Suspensions & Shock Absorber

● SHOCK ABSORBERS WITH AIR SPRING WITH ELECTRONIC CONTROL

Shock absorbers with electronic damping adjustment with the possibility of having the air spring already installed on the shock absorber.

● INNOVATIVE SEALING SYSTEMS

The mechanical seals used on the production have a high quality standard and designed to ensure maximum sealing and resistance over time.

● SHOCK ABSORBERS WITH AIR SPRING

Shock absorbers without electronic adjustment, according to the desired applications, with the possibility of having the air spring already mounted and ready to be installed on the car.

CARATTERISTICHE DEL PRODOTTO

PRODUCT FEATURES

MOLLE PNEUMATICHE NUOVE

- MOLLE AD ARIA RESISTENTI COME LE ORIGINALI

Le molle pneumatiche ad aria vengono progettate per garantire la maggiore durata possibile, quindi sono sottoposte a molteplici test per verificarne la qualità. Prima la gomma con cui vengono realizzate e poi, una volta assemblate, le molle vengono sottoposte a test di usura e durata con gli stessi requisiti utilizzati nel primo equipaggiamento.

- PROCESSI DI VULCANIZZAZIONE COME L'O.E.

I sistemi di vulcanizzazione delle gomme con cui vengono realizzate le molle ad aria seguono dettami e requisiti molto rigidi, come quelli utilizzati per la produzione delle molle originali di primo equipaggiamento.

- TESSUTO DI POLIAMMIDE ADDITIVATO E TRAME A GEOMETRIA VARIABILE

Le molle ad aria vengono prodotte utilizzando tessuti in fili di poliammide e intrecciati con geometrie studiate appositamente in funzione dell'applicazione specifica. Il tutto per offrire la maggiore resistenza e funzionalità possibile.

CARATTERISTICHE DEL PRODOTTO

PRODUCT FEATURES

NEW PNEUMATIC AIR SPRING

- AIR SPRINGS STRONG AS THE O.E. PRODUCT

Air springs are designed to ensure the longest possible durability and therefore are subjected to various tests in order to check their quality. First the rubber with which they are made and then, once assembled, the springs are subjected to wearing and durability tests with the same requirements used in the original equipment.

- VULCANIZATION PROCESSES LIKE O.E.

The vulcanization systems of the rubber with which the air springs are made of, follow very strict procedure and requirements, such as those used for the production of original original equipment springs.

- ADDITIVED POLYAMIDE FABRIC AND VARIABLE GEOMETRY WEAVING

Air springs are produced using fabrics in polyamide and intertwined with geometries designed specifically for the required application. All this in order to offer the greatest resistance and functionality possible.

RITORNO ALLE ORIGINI

BACK TO THE ORIGINS

RIGENERAZIONE AMMORTIZZATORI A CONTROLLO ELETTRONICO

REGENERATION OF ELECTRONIC SHOCK ABSORBERS

Osrav guarda al futuro senza dimenticare il proprio passato, infatti grazie alle competenze nella rigenerazione e nella produzione di ammortizzatori, Osrav si presenta nuovamente sul mercato con l'innovazione delle sospensioni a controllo elettronico e con le competenze ed il Know-How del più storico rigeneratore europeo.

La gamma di sospensioni elettroniche è soggetta a RIGENERAZIONE INTEGRALE completamente MADE IN ITALY.

La rigenerazione prevede la sostituzione di tutti i componenti interni soggetti ad usura, una pulizia completa e un rimontaggio accurato.

Osrav looks to the future without forgetting its past, in fact, thanks to the skills in the regeneration and production of shock absorbers, Osrav is back on the market with the innovation of electronically controlled suspensions and with the skills and know-how of the oldest European regenerator.

The range of electronic suspensions is subject to a completely MADE IN ITALY INTEGRAL REGENERATION.

The regeneration involves the replacement of all internal components, a complete cleaning and a careful reassembly.

CARATTERISTICHE DEL PRODOTTO

PRODUCT FEATURES

AMMORTIZZATORI REVISIONATI

Prodotti Usati soggetti a RIGENERAZIONE INTEGRALE completamente MADE IN ITALY .

La rigenerazione prevede la sostituzione di tutti i componenti interni soggetti ad usura, una pulizia completa e un rimontaggio accurato.

Nel 2018 il dipartimento di R&D di Osrav ha brevettato una valvola elettromagnetica per la regolazione dello smorzamento di un ammortizzatore a controllo elettronico.

REMANUFACTURED SHOCK ABSORBERS

Exhausted shock absorber subjected to an accurate INTEGRAL REGENERATION completely MADE in ITALY.

The regeneration involves the replacement of all internal used components, a thorough cleaning and a careful reassembly.

In 2018 the Osrav's R&D dept. has patented an electromagnetic valve concerning the damping force adjustment of an electronically controlled shock absorber.

N. 102017000027157
OsraV's patent number for the
electromagnetic valve

ORDINI: Gli ordini devono pervenire presso la nostra sede a mezzo fax o posta elettronica. Solo in via del tutto eccezionale possono essere accettati ordini verbali, in tal caso si declina ogni responsabilità per inesattezze, incomprensioni o interpretazioni errate. Tutti gli ordini sono subordinati all'approvazione da parte dell'azienda che si riserva la facoltà di accettarli.

PREZZI: Per tutti gli ammortizzatori a catalogo fanno fede i prezzi indicati sul listino in vigore. Tutti i prezzi si intendono IVA esclusa e franco nostro stabilimento. L'azienda si riserva la facoltà di modificare i prezzi convenuti senza obbligo di preavviso. Invitiamo la gentile clientela a verificare tutte le condizioni indicate nella conferma d'ordine.

CONSEGNE: Tutti i termini di consegna del materiale ordinato, anche se indicati nella conferma d'ordine, sono da considerarsi indicativi e non impegnativi per l'azienda. I ritardi o le mancate consegne del materiale eventualmente non disponibile presso i nostri magazzini non potranno dare consenso all'annullamento dell'ordine in corso, né potranno costituire pretesto per risarcimento di danni. Eventuali deroghe alle presenti condizioni di consegna devono essere concordate ed accettate per iscritto da entrambe le parti.

CONFEZIONAMENTO: Tutto il materiale verrà consegnato adeguatamente confezionato, secondo gli standard previsti dall'azienda. Eventuali variazioni in questo senso devono essere concordate con l'ufficio commerciale e regolamentate per iscritto. Le spese di confezionamento si intendono comprese nel prezzo degli ammortizzatori.

IMBALLO: L'imballo verrà effettuato secondo gli standard in uso e fatturato al costo. Eventuali variazioni in tal senso devono essere preventivamente concordate per iscritto da entrambe le parti.

SPEDIZIONE: La merce viaggia sempre a rischio e pericolo del committente, anche se spedita in porto franco. In mancanza di precise indicazioni del committente tutto il materiale verrà spedito con il mezzo ritenuto più opportuno. La nostra responsabilità, per tutto il materiale spedito, si conclude alla consegna del medesimo al vettore. Eventuali danni, furti, manomissioni o quant'altro possa arrecare inconvenienti al committente vanno gestiti direttamente dallo stesso con il trasportatore. Il destinatario rimane comunque vincolato al pagamento totale della merce spedita. L'azienda non risponde per eventuali ritardi nelle consegne derivanti da cause di forza maggiore o da circostanze dipendenti dal vettore.

RECLAMI: Eventuali reclami, dovuti a discordanze riscontrate nella documentazione, o di qualsiasi altra natura, devono essere notificati entro e non oltre 8 giorni dalla data di ricevimento del materiale a mezzo lettera raccomandata. Fanno eccezione tutti i reclami considerati motivo di garanzia per i quali rimandiamo alla sezione "garanzia del prodotto".

PAGAMENTI: Il pagamento delle fatture deve essere fatto entro il termine prescritto ed indicato in fattura. Il mancato rispetto dei termini di pagamento comporterà l'addebito delle spese di insoluto e

degli interessi di mora, calcolati in base al tasso EURIBOR maggiorato di 6 punti; renderà inoltre le altre fatture in corso, ancorché non scadute, immediatamente esigibili. Il mancato pagamento autorizza pure l'azienda a sospendere tutte le forniture con effetto immediato.

I pagamenti sono validi solo se effettuati, direttamente all'azienda o a persona da noi espressamente autorizzata, secondo le disposizioni concordate con il nostro ufficio amministrativo.

CONTROVERSIE: Per qualsiasi controversia, nessuna esclusa, sarà competente il Foro di Treviso.

TUTELA DELLA PRIVACY: Tutti i dati relativi al committente, ivi compresi quelli inerenti gli ordinativi e le condizioni in uso, saranno custoditi ed elaborati, anche con sistemi informatici, per soli scopi statistici, adempimenti fiscali e di legge e per l'invio di materiale informativo o promozionale, secondo quanto stabilito dalla legge 675/96 e D.L.196/2003 in materia.

Tutte le condizioni riportate, ivi incluse quelle seguenti, relative alla garanzia del prodotto, si ritengono accettate integralmente al momento del ricevimento dell'ordine, sia esso scritto o verbale.

GARANZIA DEL PRODOTTO

L'intera gamma **VITAL SUSPENSIONS** è offerta con una garanzia di due anni. Tale garanzia si ritiene subordinata alle condizioni, elencate di seguito, che l'acquirente è tenuto a verificare e rispettare durante l'intero periodo garantito.

CONDIZIONI DI GARANZIA: La garanzia di due anni applicata a tutti gli ammortizzatori copre esclusivamente le non conformità, verificate sugli ammortizzatori stessi, relativamente a vizi di fabbricazione e di funzionamento.

La garanzia del prodotto, in quanto tale, vale esclusivamente nei termini di sostituzione gratuita del materiale riconosciuto difettoso. Tale garanzia inoltre si ritiene valida per il solo prodotto riconosciuto non conforme, pertanto non prevede estensioni a coppie o insiemi di ammortizzatori, anche se installati sul medesimo veicolo.

Non sussistono risarcimenti, o pretese di qualsiasi natura, ulteriori a quelle precedentemente esposte; anche qualora direttamente o indirettamente collegate alla non conformità del prodotto.

La garanzia non comprende:

- La normale usura dell'ammortizzatore.
- I danni derivanti da incidenti, di qualsivoglia natura, subiti dal veicolo.
- I danni provocati all'ammortizzatore da un montaggio scorretto o dall'impiego di attrezzature non idonee (es. stelo rovinato dalle pinze).
- I danni provocati dall'utilizzo dell'ammortizzatore su veicoli diversi da quelli per i quali è stato realizzato, in conformità a quanto riportato sullo stesso catalogo corrente.
- I danni causati da manomissioni di qualsiasi natura apportate all'ammortizzatore.
- Le non conformità dovute all'impiego dell'ammortizzatore su sistemi di sospensione speciali per i quali non è previsto il suo impiego (sospensioni autolivellanti, sospensioni regolabili elettronicamente, ecc.).
- I danni arrecati all'ammortizzatore dall'utilizzo del veicolo in competizioni

automobilistiche di qualsiasi natura.

- I danni causati all'ammortizzatore dal montaggio su sospensioni con caratteristiche e componenti diversi dall'originale, quali ad esempio molle tagliate, tamponi e parapolvere modificati o eliminati, ecc.
- Eventuali montaggi abbinati a molle di assetto sportivo, eccezion fatta per le molle di assetto di nostra produzione e per i pacchetti sportivi forniti dalla casa produttrice.
- I danni arrecati da manutenzione scorretta o insufficiente del mezzo.

RICHIESTA DI GARANZIA: La richiesta di garanzia del prodotto deve essere presentata al concessionario presso il quale è stato acquistato. Il concessionario stesso provvederà direttamente, dopo l'accertamento della non conformità, alla sostituzione del materiale difettoso. Al concessionario dovranno essere consegnati tutti i dati indispensabili alla verifica della garanzia, e più precisamente:

- Estremi dell'acquirente o dell'officina di montaggio.
- Codice dell'articolo non conforme.
- Quantità non conforme.
- Data di acquisto e di montaggio.
- Dati di riconoscimento del veicolo.
- Condizione del veicolo al momento del montaggio.
- Descrizione dettagliata della non conformità.

Il concessionario successivamente avrà cura di trasmettere i suddetti dati all'ufficio di Controllo Qualità del produttore il quale avvierà il processo di verifica. Dopo l'acquisizione dei dati forniti dal cliente verrà data l'autorizzazione al reso del materiale difettoso.

Il prodotto ritenuto non conforme dovrà quindi pervenire presso di noi, in porto franco, corredato di documento in conto garanzia (qualora il materiale non fosse spedito dal distributore la bolla dovrà recare come intestatario il distributore stesso). Sarà respinto tutto il materiale spedito senza il benestare a procedere da parte dell'azienda.

Il ripristino, la sostituzione o l'accredito del prodotto in garanzia sarà fatto solo dopo l'accertamento della non conformità da parte del personale tecnico addetto al controllo qualità, nel rispetto delle condizioni sopra elencate. Lo stesso personale sarà a disposizione del cliente per ogni chiarimento in merito.

La possibilità di sostituzione immediata del materiale ritenuto non conforme, al fine di evitare il fermo del veicolo, è prerogativa esclusiva del distributore, il quale può eventualmente adottarla a sua discrezione, rimanendo tuttavia non vincolata alle condizioni generali di garanzia del prodotto.

Per conoscenza segnaliamo che tutti i reclami ed i certificati di garanzia verranno archiviati, unitamente ai dati a nostra disposizione (cliente, non conformità, riferimenti produttivi, ecc.), per disporne in qualunque momento e per verificare l'utilità di azioni correttive eventualmente necessarie su alcuni prodotti.

Tutti i dati dei clienti verranno comunque custoditi ed elaborati esclusivamente per attività informatiche e di ricerca interne all'azienda, adempimenti di legge ed eventuale invio di materiale informativo-promozionale; in conformità a quanto richiesto dalla legge 675/96 e D.L.196/2003 sulla tutela della privacy.

PURCHASE ORDERS: Orders must be forwarded to our offices by fax or e-mail. Verbal orders will be accepted only in very special conditions, in which case we shall not be held responsible for inexactness, misunderstandings or erroneous interpretation.

Orders are subject to approval by our offices who reserves the right to accept them.

PRICES: For all shock absorbers in our catalogue the prices applied are those contained in the current up to date price-lists.

All prices do not include VAT and are for goods available ex works.

We reserve the right to make changes to the prices agreed without notice.

We therefore invite customers to check all conditions at the time of our order confirmation.

DELIVERY: All delivery times provided for the goods that have been ordered, even when stated in our order confirmation, should be considered approximate and are not binding to the supplier.

Any delays or failure to deliver any goods not currently available in our warehouses shall not entitle cancellation of the order in progress and give grounds for an indemnification claim.

Any variation to these delivery terms shall be agreed and accepted in writing by both parties.

PACKAGING: All goods are delivered suitably packed, according to our company's standards.

Any variations shall be agreed with our sales department and made in writing.

The cost of packaging is included in the price of the shock absorber.

PACKING: Goods are packed by our company according to our standards and invoiced according to cost.

Any variations shall be agreed writing by both parties.

DELIVERY: Goods travel always at the customer's own risk, even when delivered duty paid.

Unless specifically stated by the customer, the goods will be delivered with the means of transport we consider most appropriate.

Our liability regarding all the goods dispatched ends upon their delivery to the forwarding agent.

Any damage, theft, tampering with or any other inconveniences caused to the customer shall be handled by the latter with the forwarding agent.

The consignee shall always pay the total amount of the goods delivered.

We shall not be held responsible for any delays due to circumstances beyond our control and/or natural calamities, or other circumstances depending on the forwarding agent.

COMPLAINTS: Any complaints due to discrepancies in the documents or of any other kind, shall be notified by registered letter no later than 8 days after receipt of the goods.

This clause does not apply in the case of complaints considered warranty conditions regarding this please see the "Product warranty" section.

PAYMENTS: Invoices shall be paid within the prescribed term stated in the invoice. Non-compliance with the terms of payment shall cause any unsettled payment expenses to be charged interest for delayed payment, calculated according to the EURIBOR rate plus 6% and due for immediate payment even if not overdue.

Any failure to settle payments authorises us to suspend all deliveries immediately.

Payments are valid only when made directly to our company or to any person authorised by the company in agreement with our administration.

DISPUTES: Disputes of any kind shall be submitted to the jurisdiction of the Court of Treviso.

PRIVACY: All data concerning customers, including any information concerning orders and terms applied, shall be stored and processed, even electronically solely for statistical purposes, for legal or fiscal requirements and for dispatching informative or promotional material as prescribed by the relevant Italian Law on Privacy.

PRODUCT WARRANTY

Our whole range of **VITAL SUSPENSIONS** is offered with a two-year warranty.

The warranty is subject to the conditions stated below that the purchaser must check and respect for the entire warranty period.

WARRANTY CONDITIONS: The two-year warranty is applied to shock absorbers in the "improved" range and covers exclusively non-compliance assessed on the shock absorbers due to manufacturing or working defects.

Our product warranty is applied exclusively in terms of free of charge replacement goods acknowledged as being faulty.

In addition, the warranty applies in the case of a single product acknowledged as non-confirming and therefore cannot be extended to pairs or multiple shock absorbers, even when they are installed on the same vehicle.

No compensation or claims of any kind besides those aforementioned are acceptable even when directly or indirectly related to the non-conforming component.

The warranty does not include:

- Normal wear and tear of shock absorbers
- Damage caused by accidents of any kind involving the vehicle.
- Damage caused to the shock absorber by improper installation or by the use of unsuitable equipment (e.g. piston rod ruined by pincers).
- Damage caused by using the shock absorber on a vehicle other than the model the shock absorber has been made for as mentioned in our current catalogue.
- Damage caused by any kind of tampering with the shock absorber.
- Non-compliance due to the use of the shock absorber in special suspension systems to which it is not suited (self-levelling suspensions, electronically adjustable suspension, etc.).
- Damage caused to the shock absorber by the use of the vehicle in any kind of car competitions.
- Damage caused to the shock absorber by installation on suspension using features and components differing from the original, such as cut springs, modified or

eliminated rebound bumpers and dust covers, etc.

- Any installation combined with sports springs, apart from our own series and from original sports kits supplied by the manufacturer.
- Damage due to improper or insufficient maintenance of the vehicle.

WARRANTY REQUEST: The product warranty request must be forwarded to the dealer where it has been purchased.

After assessing non-compliance the dealer shall replace the faulty goods immediately.

It is necessary to provide the dealer with all the information needed to check the warranty, i.e.:

- Customer or installation shop details.
- Non-conforming article part number.
- Non-conforming quantity.
- Date of purchase and installation.
- Vehicle identification data.
- Vehicle conditions at the time of installation.
- Detailed description of non-compliance.

The dealer shall then communicate the information above to the manufacturer's Quality Control Service, which initiates the control process.

On receipt of the information provided by the customer the return of the faulty goods will be authorised.

Any products considered non-conforming shall therefore be returned to us carriage paid together with a warranty delivery note (if the goods are not returned via the distributor the delivery note shall be sent with the distributor as consignee).

Any goods returned without our approval shall be rejected.

The repair, replacement of our credit note for the product under warranty shall occur only once non-compliance has been assessed by our quality control technicians in the full respect of the above-mentioned conditions.

Our staff is at customer's disposal for any explanations regarding these matters.

The possibility of immediate replacement the goods considered non-conforming in prevent stopping the vehicle, depends exclusively on the distributor who proceed at his own discretion, remaining however not bound by the product general warranty conditions.

We inform you that all complaints and warranty certificates will be filed together with the information available to us (customer, non-compliance, production references, etc.) so that we can use them at any time and to assess the utility of any corrective actions required for products.

All customer data will be filed and processed only for internal information and research activities, legal or fiscal requirements and dispatch of informative and promotional material in compliance with the Italian Law concerning the safeguard of privacy.

All the aforesaid conditions are considered accepted in full upon receipt of a written or verbal order.
